Welcome to the Data 4 Good Case Competition, jointly sponsored by the Mitchell E. Daniels, Jr. School of Business master's programs – MSBAIM, MSGSCM, MSM, Krenicki Center, JHU's M.S. in Business Analytics & Artificial Intelligence program, Butler University Lacy School of Business, Microsoft, INFORMS, Prediction Guard, PrimeAI, DataCamp Classrooms, Women in Analytics, Certipoint and TAPS.

At the crossroads of critical thinking, data analysis, artificial intelligence, and communication, this elite case competition is designed to challenge undergraduate and graduate students across the country to compete for **\$40,000** in prize money.

Registered teams will receive free practice assessments and vouchers to complete the the Exam AI-900: Microsoft Azure AI Fundamentals - Certification, \$99 value/exam available to you at the \$80/team case competition registration fee cost!

This holistic experience not only provides an opportunity to use data, technology, process, and research-based methods to make good decisions for good problems, but also connects participants to leading data analytics organizations through credentialing and networking.

Registering and paying the \$80/team registration fee guarantees the following:
